Ms. MIKULSKI, from the Committee on Appropriations,  
submitted the following

REPORT

The Committee on Appropriations submits the following report further revising the section 302(b) allocation to its subcommittees for fiscal year 2015 set forth in Senate Report 113-163 (May 22, 2014) and revised in Senate Report 113-193 (June 17, 2014).

Section 302(e) of the Congressional Budget Act of 1974, as amended, provides that at any time after a committee reports its allocations such committee may report to its House an alteration of such allocations. This report is submitted pursuant to this section.

The Budget Act requires that as soon as practicable after a concurrent resolution on the budget is agreed to, the Committee on Appropriations shall submit to the Senate a report subdividing among its subcommittees the new budget authority and total outlays allocated to the Committee in the joint explanatory statement accompanying the conference report on such a resolution. Section 116 of the Bipartisan Budget Act of 2013 (Public Law 113-67) provides for the chairman of the Committee on the Budget to file an allocation consistent with the terms of the act to serve as a section 302(a) allocation for purposes of budget enforcement in the Senate. The allocation was filed by the chairman of the Budget Committee on May 5, 2014.

On May 22, 2014, the Committee on Appropriations filed an initial allocation to its subcommittees pursuant to its section 302(a) allocation.

On June 16, 2014, the Committee on the Budget filed a revised 302(a) allocation for the Committee (Congressional Record pp. S3680-3681) reflecting permissible increases in the fiscal year 2015 discretionary allocation. These increases reflect \$100,000,000 in budget authority designated for disaster relief, plus associated outlays.

On July 29, 2014, the Committee on the Budget filed a further revised 302(a) allocation for the Committee reflecting permissible increases in the fiscal year 2015 discretionary allocation. These increases reflect \$6,438,000,000 in budget authority designated for disaster relief, plus associated outlays and \$58,579,000,000 in security budget authority and \$9,978,000,000 in nonsecurity budget authority designated for overseas contingency operations, plus associated outlays.

The further revised allocations to subcommittees for 2015 are set forth below:
